1999 1998

## **X-33 launch site briefing on NASA TV noon Friday**

**N**ASA and Lockheed Martin X-33 program officials will hold a briefing about the X-33 launch site and its operations at noon Friday. The briefing from Dryden Flight Research Center, Edwards, Calif., will air on NASA TV. Marshall Center manages the X-33 program. Construction of the 30-acre, \$32 million X-33 Flight Operations Center began in November 1997, and was completed in just a little more than 12 months, on time and under budget.

**AFGE Local 3434  
monthly meeting,  
11:30 a.m. March 9  
in Bldg. 4200,  
Room 815**
